NORMAL PSYCHOLOGICAL FUNCTIONS
with vitamin B6

ENERGY YIELDING METABOLISM
with niacin

NORMAL FERTILITY & SPERMATOGENESIS
with zinc

NORMAL BLOOD GLUCOSE LEVELS
with chromium

MAINTENANCE OF NORMAL SKIN
with zinc

KEEP FRESH, EVERYDAY

Renew supports more than your skin. Under the surface, your body experiences major changes throughout your life, resulting in changes both internally and externally. Renew helps support the process of cell division and support normal psychological functions and energy yielding metabolism to ensure you're giving your body the tools it needs to stay healthy at any point in life. Wake up feeling fresh every day by taking Renew before you go to sleep.

CONTRIBUTE TO A NORMAL METABOLISM

With Zinc, Renew helps contribute to the normal metabolism of Vitamin A, carbohydrates and fatty acids, while also contributing to normal protein synthesis. Taking control of your daily wellness has never been easier – and now you can stay active at any stage of your life.

SAY YES TO LIVING BETTER

When's the last time you had a little fun? Renew helps recharge your energy daily, as it's rich in Niacin and Vitamins B6 and B12, which contribute to a normal energy yielding metabolism. It also has Zinc that supports normal fertility and reproduction, and Selenium that supports normal spermatogenesis.

REGULATE HORMONAL ACTIVITY

Renew contains Vitamin B6 that can contribute to the regulation of hormonal activity, while contributing to the reduction of tiredness and fatigue – the perfect way to ensure you’re ready to take on each day feeling like your best self.

The Chromium present contributes to the maintenance of normal blood glucose levels, and Vitamins B6 and B12 contribute to the normal red blood cell formation.

However, Renew doesn’t just make you feel good on the inside. The Niacin and Vitamin A present contribute to the maintenance of normal skin, helping you also look like your best self.

Over the years, we start noticing:

- Lower Energy Levels
- Dull Skin
- Unrestful Sleep

But you can control all of this with Renew, a daily supplement that’s scientifically formulated with the ideal combination of minerals, vitamins, amino acids, noni and other botanical extracts to address the multiple pathways by which you can help your body.

KEY INGREDIENTS

- L-Arginine, L-Citrulline, L-Lysine and Beta-Alanine
- Vitamin A, Vitamin B3, Vitamin B6 and Vitamin B12
- Magnesium, Zinc, Selenium and Chromium
- 7 Botanicals + Noni
- GABA

WE'VE GOT IT DOWN TO A SCIENCE

Featuring four proprietary blends of uniquely powerful ingredients, each has an important part to play, working synergistically to help keep you looking and feeling like your best self again.

OUR PATENT-PENDING SCIENCE

Signature Boost Blend

Morinda citrifolia L. (Noni), Grape Seed Extract, Green Tea Leaf Extract, Turmeric (Curcumin), Blueberry Fruit Extract

Vitamin A contributes to normal iron metabolism, maintenance of normal skin, vision and normal function of the immune system.

Amino Booster Blend

L-Arginine, L-Citrulline, L-Lysine and Beta-Alanine

Scientifically tested to be a great boost of amino acids to your every day life.

Supplementation Boost Blend

GABA (Gamma-Aminobutyric Acid), Vegetarian Sourced Lutein, Zeaxanthin Isomers

Supports restful sleep, an important part of your daily life to support your body's natural balance.

Vitamin + Mineral Co-Factors

Vitamin A, Vitamin B3, Vitamin B6, Vitamin B12, Magnesium, Zinc, Selenium, Chromium and Natural Carotenoids

Nutritional support for your overall body.

- Process Of Cell Division With Vitamin B12
- Normal Psychological Functions With Vitamin B6
- Energy Yielding Metabolism With Niacin
- Normal Fertility & Spermatogenesis With Zinc
- Maintenance Of Normal Blood Glucose Levels With Chromium
- Maintenance Of Normal Skin With Zinc

FREQUENTLY ASKED QUESTIONS

PRODUCT OVERVIEW

WHAT DOES RENEW DO? WHY IS IT DIFFERENT THAN OTHER PRODUCTS?

Renew is a daily, advanced supplement that comes in a powdered form and helps support your body's functions that can feel out of balance at different stages of life, such as psychological functions. In other words, Renew helps support your body's wellness every day so you can take control of your life.

HOW DOES RENEW WORK?

Renew works with your body to help the process of cell division with vitamin B12 and harnesses the power of four patent-pending blends that work synergistically. They are:

- A breakthrough, signature boost blend of the Tahitian superfruit noni, green tea, turmeric, blueberry and grape seed
- A powerful combination of the amino acids L-Arginine, L-Citrulline, L-Lysine and Beta-Alanine
- A restorative combination of gamma-aminobutyric acid (GABA), Lutein and Zeaxanthin Isomers supports quality sleep
- A host of minerals and co-factors that support your everyday wellness

HOW DO I KNOW IF I SHOULD TAKE RENEW?

Renew is designed to assist all adults over the age of 30 to feel their best in their daily lives and activities.

RESULTS

WHEN WILL I START TO FEEL THE BENEFITS OF RENEW?

Everyone is different and will experience the benefits differently. It can be after one week or even after three months — it all depends on the individual and their nutritional needs. We recommend taking Renew consistently for a minimum of 28 days to notice the supplement's benefits.

CAN I TAKE RENEW INDEFINITELY?

Yes. Renew is most effective when taken daily.

CAN I TAKE MORE THAN ONE SERVING OF RENEW TO SPEED UP THE PROCESS?

No, the recommended dosage is one stick pack per day for optimal results.

WHAT IF I MISSED A FEW DOSES?

To feel the full effects of Renew, it is important to take daily. If you miss a dose, resume taking Renew as soon as you can.

USAGE + STORAGE

WHAT ARE THE DIRECTIONS AND DOSAGE?

Mix one stick pack into 120-235 ml of water, and shake vigorously. Enjoy once per day 30 minutes before going to sleep.

CAN I MIX RENEW WITH SOMETHING OTHER THAN WATER?

We recommend that Renew is mixed plain, cold water. You can mix Renew with low-glycaemic liquids, such as lemon juice, lime juice, green juices, coconut water, monk fruit or no sugar-added, plant-based milk. Renew can also be mixed with the following NewAge products:

- Tahitian Noni™ Juice
- Tahitian Noni™ SLEEP Shot™
- Nutrifil™ Moa™

We recommend that you do not warm up, add sugar, or mix Renew with high-glycaemic juices (such as orange juice).

CAN I TAKE RENEW IN THE MORNING INSTEAD OF EVENING?

We recommend taking Renew in the evening at least 30 minutes before bed, as Renew contains GABA, which can help support a more restful sleep.

FREQUENTLY ASKED QUESTIONS

HOW SHOULD I STORE RENEW?

For best results, store Renew in a cool, dry place.

SPECIALTY GUIDANCE

CAN I TAKE RENEW IF I AM ALLERGIC TO ONE OF THE INGREDIENTS OR AM TAKING MEDICATION?

Always consult your doctor prior to beginning any new food supplement if you have allergies or are taking medication.

CAN I TAKE RENEW IF I AM PREGNANT OR BREASTFEEDING OR HAVE A MEDICAL CONDITION?

Always consult your doctor before beginning any new food supplement while pregnant or breastfeeding, or if you have a medical condition.

IS RENEW MADE FOR ALL GENDERS?

Yes, this product was scientifically designed for anyone looking to support their body in every day life.

PRODUCT PAIRINGS

SHOULD I TAKE RENEW ALONG WITH OTHER NUTRIFII PRODUCTS?

Yes! Renew isn't a replacement for your daily routine but rather an enhancement because it acts as the basis for helping the process of cell division. Using other Nutrifii products can have a synergistic effect when paired consistently, helping build off the strong base created by Renew.

DOES RENEW REPLACE MY DAILY DOSE OF TAHITIAN NONI JUICE?

No, each product features its own unique health benefits. Renew helps compliment the benefits you receive from Tahitian Noni Juice.
